

DIRECTIONS FOR USE

Searles Ant, Spider & Cockroach Killer is a low odour product which can be used in both indoor and outdoor situations. It will keep working for up to two months.

PLANT	PEST	MIXING RATE	HOW TO APPLY
Indoors and Outdoors	Ants	Mix 25 ml in 1 litre of water.	Spray ant tracks and pests.
	Cockroaches, Spiders		Spray into cracks and crevices, and areas where pest may occur.
	Fleas, silverfish, bedbugs and carpet pests		Spray infested carpets, floor areas, in cupboards and wardrobes and around furniture, bookshelves and skirting boards. Do not apply to clothing or bed linen.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED.

HOW TO PREPARE:

MIXING AND APPLICATION: Shake thoroughly before opening. Add to water and mix well. Spray until surface is evenly moist. Apply 1 litre of spray per 20 square metres of treated surface. Porous surfaces such as brick, cement, ceramic (unglazed) absorb the spray and hence more spray is needed to deliver the required surface deposit.

CAUTION: Harmful to fish. Remove or cover fish tanks before spraying. DO NOT allow chemical containers or spray to get into drains, sewers, ponds or streams. DO NOT spray directly on humans, pets, exposed food, food preparation areas or food utensils. DO NOT spray into air.

STORAGE AND DISPOSAL: Store in the closed original container in a cool, dry place out of reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS: Will damage eyes. Will irritate the nose, throat and skin. Avoid contact with eyes and skin. Do not inhale vapour. When opening the container, preparing spray, using the prepared spray and using the product, wear cotton overalls buttoned to the neck and wrist (or equivalent clothing), rubber gloves, and goggles. If product on skin, immediately wash area with soap and water. If product in eyes, wash it out immediately with water. Wash hands after use. After each day's use, wash gloves, goggles and contaminated clothing.

FIRST AID INSTRUCTIONS: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia (13 11 26). If swallowed, do NOT induce vomiting. Give a glass of water.

APVMA No.: 83894/109206

DISCLAIMER: This product is designed to be used only for the purposes indicated on the label. Failure to use the product strictly as directed may be dangerous and cause injury, may be illegal, and may also render the product ineffective. The buyer or user is responsible for any misuses or negligence in the handling, storage, use of or disposal of this material. JC & AT Searle Pty Ltd will not accept any responsibility of any kind, whether for consequential loss or otherwise, in connection with the supply and use of the product other than those responsibilities mandatorily imposed by statutes applicable to the safety and supply of these goods.
