HEALTH WARNING

COMPOSTS, POTTING MIXES AND OTHER ORGANIC GARDENING MATERIALS

This product is made from organic materials, and may include composted greenwaste, and contains living micro-organisms, including bacteria, fungi and protozoa. May also contain mineral and fertiliser additives.

RISK
Inhalation of dust and/or liquid mists may irritate, inflame or sensitize the nose, throat and lungs resulting in illnesses ranging from hayfever or asthma, to pneumonia (e.g. Legionnaire's disease) or pneumonia-like diseases. Direct contact with this material or its dust and/or liquid mists (bioaerosols) may cause skin irritation (dermatitis), and skin or eye infection or irritation. People particularly at risk are the elderly, those suffering from asthma or allergies, and those whose immune defence systems are compromised. All people working with these and other landscaping and horticultural products should ensure that they are adequately protected from aerosols.

SAFETY
- Avoid contact with eyes and skin.
- Avoid breathing dust and/or liquid mist (bioaerosols).
- When using product, do not eat, drink or smoke.
- Avoid eating, ingesting or swallowing product.
- Wear suitable protective clothing and standard duty gloves (AS/NZS 2161:2).
- If exposed to dust and/or liquid mists, also wear dust resistant eye protection (AS/NZS 1338) and particulate respirator (AS/NZS 1715 and 1716).
- Wash thoroughly immediately after handling.
- Wash work clothes regularly.
- Clean up by wet sweeping or vacuuming.
- Store this product in a cool location.

FIRST AID
Swallowed: Do not induce vomiting. Immediately rinse mouth with water. Give several glasses of water to drink. Seek medical attention if any abdominal symptoms.
Eye: Hold eyes open and flush eyes thoroughly with plenty of water for 15 minutes. In all cases of eye contamination it is a sensible precaution to seek medical attention.
Skin: Wash skin thoroughly with mild soap and water. Remove and wash contaminated clothing before reuse. If irritation occurs, seek medical advice.
Inhaled: Remove to fresh air. Seek medical attention for any persistent skin, eye or respiratory symptoms.

DISPOSAL
Follow above safety precautions and collect in containers for disposal as trade waste in accordance with local authority guidelines.
